Future Farmers' Events Are Successful

Style Show Draws Many

The senior girls and the advanced sewing class, under the direction of Miss Pauline Linck, presented an enjoyable fashion show, last Friday night in connection with the Community Fair.

The clothes and accessories were furnished by the dress shops of Ypsilanti, and the proper thing for every occasion was shown. One by one, each girl appeared on a carpeted stage and modeled her gown. Ruth Staebler announced the shop from which each outfit came and gave the interesting points of each ensemble.

The following shops cooperated in the style show: Nissly's, Clark's, Kent's, Coralee Shop, K. Hunt Shop, and the Musetta Shop. The models were: Jane Thoms, Ruth Richards, Ernestine Olmsted, Mary Louise Lamb, Audrey Rabbe, Zelma Pocklington, Dorothy Loesch, Betty Squiers, Alice Richards, Helen O'Byrne, Peggy Spencer, Aileen Clow, Ellen Rowden, Pearl Block, Betty Arnet, Beulah Stitt, Lilymae Davidson, Leola Freeman, Gerry Burrows, Eugena Cummings, Mary Louise Walker, Dorothy Davidson, Verna Underwood, Virginia Palmer, Elizabeth Bell, Doris Reiman, Ruth Reddaway, Helen Thomson, Dora Marie Smith, Alice Rogers, Violet Losee, Doris Shifford, Cora Belle Kent, Noreen Carr, Dorothy Snidecor, Ruth Knaggs, Emily Bibbins, Myrtle Low and Pearl Seaton.

Mother's Chorus Holds Meeting

The Mothers Chorus held their second meeting of the year Tuesday, Oct. 15, in the music room. Mr. Shaffer directed the mothers in a short drill. A business meeting followed during which plans were completed for the dinner which is to be given Tuesday, Oct. 22 in the lunch room. Mrs. Raymond Orr is chairman of the committee with Mrs. Roland Shaffer, Mrs. Norris Wiltse, Mrs. Ross Bower, and Mrs. Herbert Bisbee, assisting her.

MRS. BREAKEY TAKES OVER PIANO CLASSES

The Ypsilanti High School and Mr. Schafer of the music department feel very fortunate in having Mrs. James Breakey, Jr., take over the piano classes.

Mrs. Breakey, who is taking Miss Shinner's place, started her activities Oct. 17. She is very well known here.

James Breakey, Jr., was formerly head of the piano department at the Normal.

Juniors Plan Penny Supper

The Junior class is going to give a penny supper in the lunch room Oct. 30 between 5:30 and 7:00 p. m.

There will be a choice of meats, a variety of vegetables, a few relishes, and several desserts.

Every Junior is going to bring one or more large potato for the event.

About eight or ten of the Junior boys are putting on a special advertising stunt, Wednesday. Watch for them. It will be very amusing.

The advertising committee is composed of Bob Riley, Dick Bibbins, Bud Fuller, and Merton Teare. The ticket committee is composed of Melvin Kenady and Dick Bibbins, Betty Backus, Marjorie Tefft, Edna Lore, Helen Holleran and Helen Katon will have charge of the preparation of the food.

The professional dish washers will be Ed Thayer, Howard Carty, Bud Fuller, Dick Bibbins and Merton Teare.

SEM HAS EXCHANGES FROM MANY SCHOOLS

The Ypsi Sem is exchanging school publications with other schools in Michigan. They have received papers from Charlotte, the Orange and Black, the Tower Tribune from Fordson High School in Dearborn; the Observer from Dearborn High School in Dearborn; and the Rough Rider from Roosevelt.

Junior Class With Least Tardinesses

The Juniors lead the other classes in having least tardinesses for the first month of school in having only seven tardinesses for that period. Then Seniors are next on the list with eight and the Sophomores are tied with the ninth graders, each having 13 tardinesses. The eighth graders lead the procession with a total of 28 and the seventh graders are not far behind with 27 tardinesses.

In attendance for the first month the Seniors had a percentage of 97.45, the Juniors 96.8, the Sophomores lead with a percentage of 98.6 while the ninth graders have 96.8. The eighth graders have a percentage of 96.6 and the seventh graders have 96.4 percent.

—YHS—

Senior Class Heads First Honor Roll

According to official statistics the Honor Roll for the first marking period of 1935-36 is distinctly less than it was for the same period last year. For the first six weeks of last year 93 students attained honor marks, while for the first marking period of this year 62 received honors. This deficiency seems to be principally in the Sophomore class, and the seventh and eighth grades. The Seniors led the list with 16 honor students, while the Freshmen followed in close second with 15. The Juniors had 14 on the Honor Roll and the Sophomores came in fourth with 11. The eighth and seventh grades were represented by two and four, respectively.

The names of those who have attained honors are posted on the bulletin board outside room 205.

Seniors Hear Metcalf

Professor A. A. Metcalf addressed the senior students Wednesday, Oct. 15 on the subject of "Workers' World." Professor Metcalf discussed and gave examples of the vocations for the younger students. After the lecture the students asked questions.

THOUSANDS COME TO ANNUAL FAIR

Amateur Hour Attracts Many
People To Auditorium,
Circus Is Popular

Today the Future Farmers and their sponsor, Mr. Osgood, are drawing long, contented breaths. Because the Community Fair of 1915 was a great success.

Large Number of Exhibits

All of the exhibits were very interesting. The large livestock show drew crowds, and the amateur feature was enjoyed by all. The Senior girls, under the direction of Miss Pauline Linck, presented their long awaited style show, with the aplomb of professionals. In the science division there were experiments with liquid air at which the crowds marveled. Fish were frozen, and returned to life, and until the material was entirely evaporated it was a great drawing card.

Kiwanians Draw Crowd

The Kiwanis Circus, we have been told, was better than Barnum and Bailey, and the movies in the lunch room were well attended by the little folks. The thespians of the Dramatics Club presented their plays successfully. We noticed many people grouped around the Sem exhibit also, which was designed on the spur of the moment.

The Detroit Edison exhibit was in the form of a farm and was very interesting. The Sea Scouts were there too, with their insignia, and much naval equipment.

The fair was enjoyed by all, and we were glad to see so many people from the rural districts there. That's all until next year.

F. F. A. EXPRESSES APPRECIATION

This year's Community Fair, which is now only history, was a great success. With the support of all the clubs and other organizations in the high school the Future Farmers were able to give a fair which was better than any given before. Through the medium of the Sem the boys of the F. F. A. and their sponsor, Mr. Osgood, wish to express their whole-hearted appreciation and thanks to all those persons who have lent their very kind support to the project.

JOHNNY, DON'T YOU TRAMP ON ME

After having finished the rigorous task of trying to maintain my equilibrium on the stairs, I feel it is altogether fitting and proper to give the student-body a piece of my mind, whether I can spare it or not.

The general idea is that the accepted rule is to keep to the right on the stairs. And how many of you do it? Very few! Matter-of-fact, I go up the wrong side myself at times. So perhaps I should give this up entirely, but I won't.

And you upper-classmen, don't try to blame the lower-classmen; you do it just as much as they, if not more. Wouldn't it be interesting if someone's neck were to be broken? (At least it would give us an article for the Sem.)

Seriously though, we really shouldn't browse around on the wrong side of the stairs. It's not only dangerous, but it looks pretty bad to an outsider, and after all we have to keep up appearances. The first few weeks of school always bring rebukes, I know, so here's just one more. Please keep on your own side of the stairs, and let's have peace and safety in this honorable institution.

UNSIGNED ITEMS DENIED

The Chat Box, dear friends, was once, a long time ago, put on the end of some lockers to let the student body partake of the power and the glory some seem to think compose the diet of the Sem Staff.

Perhaps the scheme worked once perhaps it didn't, at least it doesn't seem to have met with such spontaneous success as was obviously planned. 'Tis true, contributions are contributed (we see folks put gossip about themselves down the ol' slot) but what is wanted, children, is a good batch of news stories, jokes, and mild gossip, and, by the way, isn't it only fair to us for you to sign these? (with your name?) Our paper is well printed, 'tis said, and well composed. (Also hearsay) so you send us material and we'll send you the best paper possible, what we mean.

ANOTHER OF HENRY'S PET PEEVES

Come on gang, let's snap out of the doldrums. Come, and get behind our team with real pep and ginger. You've got a real team this year, so let's stir up some life on Thursday nights down on the old gridiron across the river, with a bonfire and a rousing good pep meeting. H. D.

Personals

Are They Always Together?

Elizabeth Jellis and Andy Lennington attended the last Roosevelt football game. (Is Andy trying to acquire more technique?).

ALL AROUND O. K.?

Dick can dance,
Dick can prance,
And Dick can press his own pants;

But are Dick's powers over Shirley Barton stronger than Ed. Ziegler's? Time will tell.

A Young Bride's Problem

The Misters, Howard Carty, Edward Thayer, Bud Fuller, Merton Teare, Dick Bibbins and Harry Pook will be seen washing dishes after the Junior Penny Supper, Wednesday night. They are all quite worried for fear they will get "Dishpan Hands." We feel quite badly for these poor boys so we are going to furnish them with Lux.

A Motoring He Will Go

Our former classmate, Ralph Stitt, is going to take a trip to Vincennes, Ind., to visit his one and only Merry Cargal. (What about Ann Sylvester?)

Different Tastes

The two Thayer brothers seem to be rushing two senior girls.

Coming Down

Jo Ann Bigger was making a friendly visit to the Kenadys' home and as she was roller skating and the hill was quite steep, she got to rolling just a little too fast and very gracefully fell down.

Minute Interviews

Question—What do you thing about the assemblies we have had this year?

Found—Better assemblies in Ypsilanti High, congratulations, committees.—Doris Reiman (12).

Some of the chairmen drive me completely crazy by getting up after the speaker is through, and repeating everything he said in different words.—Mary Spencer (11).

I think that they are all right, but some of them are dry.—Laurie Stobie (10).

I think the assemblies have been very good and equally divided between education and entertainment.—Betty Evans (9).

I think the assemblies have been very good this year.—Mary Boles (8).

I like the assemblies this year. I can't think of anything I don't like about them.—Mary Brown (7).

The assemblies have been exceptionally good this year. They have seemed to impress the student body very much.—Mrs. Montgomery.

I think they are swell.—Mr. Osgood.

Try Your Luck

Ralph Adams, member of the Journalism class, submitted this sample story.

I was picking up the girl I was taking to the J-Hop. In the same car with me was another couple. I stopped at my girl friend's house and her mother came to the door. I asked her if Charlotte was ready. Imagine my embarrassment when I suddenly remembered my girl's name was Frances and Charlotte was in the car.

Submit a true embarrassing moment. Put it in the chat box with the heading, Embarrassing Moment Editor. The best one submitted will win \$.15 and will be printed in the next issue of the Sem.

Hannah's Column

727 Detroit St.,
Flint, Michigan
Oct. 9, 1935

Dear Hannah,

Please take it upon yourself to thank personally the kind person who sent me a copy of "The Ypsi Sem"—a very swell paper even if I—a mighty alumnus—do have to say so. I—as well as the rest of the boys in the band (including Jack Tyler) enjoyed every word of it.

These truck drivers do worry me terribly, though. I don't really know his weakest points, therefore, I don't know where or why or on what to plan my attack. Please help me further. All efforts will be kindly appreciated.

We have two more nights of our engagement here in Flint. I have already secured a position in one of Lansing's largest fish markets—Palace Gardens—from which point I will sell my ware over W.J.L.M. and Michigan Radio Network stations, along with the rest of my fellow salesmen.

Hoping to hear from you soon again and expecting more "Sems," if you have any extra ones—I remain—

Yours very truly,

Country Boy

Dear Country Boy,

I was pleased to receive your return letter.

We shall take up the shortcomings of this truck driver first. I have noticed he isn't very attentive at times. He sees you one and only about once a week and then neglects her the rest of the time. If I were you I would write more letters and less post-cards.

I am so glad you have secured the type of job I suggested.

I hope I have helped you a bit more. Hoping everything turns out right, I remain.

Ypsi Battles Wayne To Tie 6 To 6

Ecorse Takes Second League Game 12 To 6

Crippled Team Loses Game Minus Fulton, Thayer, Many Fumbles

Ypsi lost its second Twin Valley League game Oct. 11. Minus the services of Ed. Thayer and Lionel Fulton, in the backfield, and Victor May in the line, Ypsi was able to score only one touchdown to two made by Ecorse.

In the second quarter, Ecorse worked the ball to Ypsi's 10 yard line by a series of passes. On the third play Trondle carried the ball over the stripe. The try for extra point failed.

Ecorse made their second touchdown in the third quarter when Keneth Thayer missed a pass from center and the Raiders recovered the ball. After a pass which put the ball on the three yard line, Meschke put the ball over. Ecorse again failed to make the point after touchdown.

Ypsi gained their six points when they recovered a fumble on the Ecorse 12 yard line. After two line plays and a penalty on Ecorse, Al Jones went through the line for the touchdown. Capt. Wales failed to make the extra point.

In the first quarter Ypsi was in scoring position, but a fumble squelched the hopes for a touchdown.

SENIORS TRIUMPH IN HOCKEY GAME

In spite of the warm weather the hockey game between the Juniors and Seniors went off as scheduled.

The Senior girls headed by Helen O'Byrne won with a six to two score. Carol Sweet is the captain of the Juniors.

Margot Holzhauser led the scoring by making four goals for the seniors, Helen O'Byrne made two goals for the Seniors and Elizabeth Jellis made two for the Juniors.

ANOTHER COMMENT OF A SYMPATHETIC SOUL

Munies! Bah! Flies in my zup. What a name to call our football team! Have we no honor? Fellow students, that is a challenge to our gallant Irish Temper, and an insult to those hard working, and hard fighting fellows of our football team.

Now is the time to step on that CUSS word "Munies." The sports editor from the daily paper refers to them as "Munies," what did they ever do to him?

Let's send in some other names for our football boys to be called.

"I would rather have them called 'Holy Terrors' than 'Munies'.

Team Seeking Next Victory

On Oct. 24, Ypsi High School football team will meet River Rouge on the homefield. Last year, River Rouge won the football game with a score of 45 to 0. The game this year promises to be the best of the home tussles, so let's have a big crowd out on the bleachers for the game.

The Plymouth-Ypsi football game is to be played Nov. 1 this year. It will be the last Twin Valley game of the season and even though this is not a home game, it is our duty to support the boys in the last contest of the year, and turn out in a body.

Ypsi, Dearborn Tie In Track

Ypsi High's dust raisers came to the apex of the triangular meet with the same score as Dearborn's, each receiving 35 points. Wayne brought in a 56. The scoring was done as follows, the numbers being positions at the finish:

Ypsi	Dearborn	Wayne
Herbst—4	Hughes—2	Smith—1.
Chambers—6	Evans—3	Sutzer—9.
Palmer—7	Liddle—5	Williams—13
Coxford—8	Fox—11	Armstrong 16
Graichen—10	Guilow—14	Sutliff 17
Borusch*	Moore*	Courtney*

*(Last man does not score, but holds place on chart.)

Barnie Hughes Sprains Ankle

With each team playing a hard game at the Alumni Field, Friday, they were able to make only one touchdown apiece. After a scoreless first quarter, Wayne made their touchdown in the second quarter. After blocking Ypsi's punt, which put the ball on Ypsi's 41 yard line, they completed a pass for a first down. Then, after taking the ball to the five yard line, Shatterfield took the ball through the line for the touchdown. Wayne failed to complete a pass for the extra point.

Toward the close of the game, our star fullback, Barnie Hughes, was injured. The injury, though not seriously dangerous, will prevent Barnie from playing in the Ypsi Plymouth game. This loss will be felt severely by the team. And don't call them Munies!

At the start of the second half Ypsi began to play inspired ball. After the kickoff, Fulton carried the ball for a first down. Everard threw a pass to Wales for another first down. Another first down was made, putting the ball on Wayne's 10 yard line. The touchdown was made by Everard tossing another pass to Capt. Wales who had crossed the goal line. Wales failed to make the extra point.

In the last of this quarter Ypsi worked the ball to Wayne's 15 yard line. After failing to advance the ball, Wales attempted a field goal, but the ball went below the crossbar.

During the last quarter both teams passed a good deal, but neither team was able to get within scoring distance.

Throughout the game Wayne displayed a good passing attack. Ypsi's line played one of its best games, with Capt. Wales playing his end exceptionally well on both defense and offense.
